

## Takahiro Fukai

Board member

Mr. Takahiro Fukai is General Manager of Industry Value Chain DX Department at Mitsubishi Corporation (MC). In this role, he spearheads the development and deployment of innovative digital services that provide local and global operators with high-value-added Digital Transformation through the utilization of industrial data, including location data.

Since MC became a shareholder of HERE in 2020, he has been leading DX and business development in the logistics sector using location-based technology at MC. Previously, he has extensive experience in transportation and insurance sector, including founding a logistics business in Indonesia, managing a reinsurance company from UK, investing in warehouses and vessels, managing business investments in shipping companies.

Mr. Fukai has been a member of the Supervisory Board since November 21, 2023.
