

Damandeep Kochhar

Executive Vice President, Chief Platform & Technology Officer

Damandeep Kochhar is Executive Vice President, Chief Platform & Technology Officer, at HERE Technologies.

In his role, he leads the company's core engineering activities, including the development and operation of our highly automated mapping system for creating, updating and publishing map content. In addition, Daman drives the company's technological strategies to foster innovation in alignment with the corporate vision and strategy.

Daman joined HERE in 2015, bringing to the company his two decades of experience in the technology and product domains. Much of his early career was spent in leadership roles at Genpact, a global professional services company, and at GE Capital, the financial services division of General Electric.

Daman graduated in Engineering from Delhi College of Engineering and completed his postgraduate degree in Management from the Indian Institute of Management, Calcutta.
